Analysts suggest that Watts' language may oscillate between genuine remorse and attempts to control or influence perceptions of him. Example: "I am truly sorry for what I've done. I wish I could undo it all and go back to a different life." However, skeptics argue that the sincerity of these expressions is difficult

to assess, especially given the manipulative tendencies often associated with criminal personalities.

Insights into His Personality and Mental Health

Psychologists who have examined Watts' letters often highlight traits associated with narcissism, psychopathy, or antisocial behavior. The inconsistent

tone and sometimes superficial expressions of remorse suggest a complex personality profile.
