Overview of Walking in Dominion

Walking in Dominion is a spiritual guide that emphasizes the believer's right and authority to dominate circumstances, environments, and even the forces of darkness through faith in God. Pst David Oyedepo articulates that dominion is not merely a future promise but a present-day

reality for those who understand and walk in the principles of God's Word. The book seeks to redefine the believer's mindset from one of defeat and limitation to one of victory and authority. The core premise revolves around the biblical truth that humans were created in God's image to rule and reign on earth (Genesis 1:26-28). Oyedepo underscores that this divine mandate is still relevant today and can be realized through faith, obedience, and spiritual discipline.
