The novel is set over the course of a single day in London, centered around Clarissa Dalloway's preparations for her party. What appears straightforward on the surface—an account of a woman's day—is in fact a complex exploration of inner consciousness, societal expectations, and the fluidity of time.

The full text of Mrs. Dalloway uses stream-of-consciousness narration to blend past and present, revealing characters' innermost thoughts and memories while simultaneously depicting external events. The Structure and Style of Mrs. Dalloway full text

Stream of Consciousness Technique

One of the defining features of the *Mrs. Dalloway* full text is Woolf's mastery of stream of consciousness. This creates a sense of immediacy and intimacy, allowing readers to step into the characters' minds.

The Unity of Time and Space

The novel unfolds over the course of a single day—June 13, 1923—yet encompasses a wide array of memories and reflections that span past decades. Woolf blurs the boundaries of past and present, emphasizing the fluidity of time.
